

Licensing Terms and Conditions for Live Streaming

Single events

10 December 2020

Concerts:

| | |
|--------------------------------------|---------------------------------------|
| Broad reach (as of 1000 views) | 10% of gross revenues or gross costs* |
| Narrow reach (fewer than 1000 views) | 9% of gross revenues or gross costs* |

The percentage rate is reduced in line with the following ratio:
duration of protected music : total duration of the music performed

DJ sets:

| |
|----------------------------------------|
| 6.5% of gross revenues or gross costs* |
|----------------------------------------|

The percentage rate is reduced in line with the following ratio:
duration of protected music : total duration of the music performed

| |
|--------------------------------------|
| Shows, ballets |
| 5% of gross revenues or gross costs* |

The percentage rate is reduced in line with the following ratio:
duration of protected music : total duration of the performances

| |
|--------------------------------------|
| Theatre plays |
| 3% of gross revenues or gross costs* |

The percentage rate is reduced in line with the following ratio:
duration of protected music : total duration of the performances

Other events:

(e.g.: sports events with music during breaks, evening entertainment, town fairs, seminars, religious services, events in care homes and hospitals, etc.)

| |
|--------------------------------------|
| 2% of gross revenues or gross costs* |
|--------------------------------------|

***Gross costs: If revenues are less than gross cost, or if there are no revenues, the above rates will apply calculated on total costs (all costs incurred to produce the livestream).**

| |
|-----------------------------------|
| Minimum fee per livestream |
| CHF 40.00 |

Subsequent archiving of a livestream recording:

| | |
|---------------------------------|----------------------------------|
| Concert/DJ sets | CHF 100 for all web performances |
| Show/Ballet/Theatre plays/other | CHF 50 for all web performances |
